

WELCOME TO SUMMER CAMP!

Sunday Night Campfire Opens Another Year at Camp Eastman

Another summer week at Camp Eastman was kicked off yesterday as old timers and first year campers arrived anticipating six days of excitement and adventure in the outdoors. Troops in camp this week are 3, 16, 20, 53, 54, 57, 61, 65, 71, 106, 107, 109, and 111. Our out of council guests are troops 626, 126, 242. A warm Eastman welcome to all our units.

After check-ins, swim checks, and campsite setups were finished, scouts were treated to dinner in the dining hall. Following the meal, the traditional Sunday night campfire welcomed all to what will surely be a fun-filled week. During the campfire, Order of the Arrow callout ceremonies for Blackhawk Lodge were held.

And no one ever heard from the Anderson brothers again.

Meet Phil Kaehler the new camp ranger

After 38 years of service, Dick Lox has retired as camp ranger. The new Camp Eastman range, Phil Kaehler, is 28 years old, hails from Chicago, and has a strong Scouting background. Phil has been a staff member at Ma-Ka-Ja-Wan camp for 12 years where he served as climbing instructor, aquatics director, program director, and seasonal ranger. He is also a vigil member of the order of the arrow and an eagle scout. He's a busy guy. The "Camp Eastman Current" caught up with him for a quick cup of coffee and a few questions:

Q. What has been your first impressions of Camp Eastman?

A. It's a beautiful property, an ideal scout camp setting with lots of potential for growth and program development.

Q. How do you like the ranger job so far?

A. I'm enjoying it a lot. I like interacting with the youth, both campers and staff, and meeting new people and listening to new ideas.

Q. What improvements do you hope to see at Camp Eastman in the next few years?

A. A general clean-up of the property. More coordination and cooperation among volunteers and camp related committees.

Q. Anything you would like to say to the scouts?

Q. Thanks for coming to camp. Continue with the summer camp experience as long as you can. It means more for your character development and future than you can know.

Campsite Inspections

This year Hizzoner Da Mayor will once again be supplementing his Burlington City stipend by scraping together a few bribes for campsite inspection scores. This year ribbons will be awarded based on a total weekly score. Blue: 175-170, Red: 169-164, White 163 & below. Again, this is a chance for boys to take responsibility and to lead their troop.
